STEP 5: Organize your information and create your project!

See your teacher to decide how you will use your information.

STEP 6: Evaluation or How did my research turn out?

It is time to think back over the research project and consider this project as a whole.

1. Overall, did you like this project? Why or why not?
2. What do you think of the BIG6? Is it a helpful way to do research?
3. What might you do differently if you were the teacher and in charge of this project?
4. What might you keep the same?
