

Ancient Greek City-States

By: Dillon Miyashiro

City-States

- Ancient Greek had a lot of city-states
- The start of democracy started in Greece
- The Greeks had drama and religious festivals
- They were also the start of the Olympic Games

Sparta and Olympia

- Sparta was a place of great determination.
- In Sparta boys were expected to be trained as soldiers
- Girls in Sparta were to grow up and bear children that became soldiers
- Olympia was the home to the Olympic Games

Athens

- Athens was home to the festivals and the annual dramatic showcase
- Athens is the most famous city-state in ancient Greece
- Athens was home to great philosophers and the academy

Delphi

- Delphi was an ancient Greek city-state
- It was known for its oracle and temple of Apollo
- Delphi was a focal point in the Persian wars

The End

- It was the birthplace of democracy
- It was home to festival and the annual dramatic showcase
- It was home to great philosophers
- What is my favorite city-state
