

Ancient Rome

1000 Years of World Domination

By Debbie Gonzalez

6th grade

Heritage Intermediate School

Our Focus

- How did the geographic, political, economic, religious and social structures affect the development of Rome?

Questions That Need Answering....

- Why did the geographical location of Rome encourage expansion?
- What were some customs observed by the Romans?
- What were some of the traditions observed in Rome?
- Which traditions have continued into modern times?
- What role did the gods and goddesses play in the lives of the Romans?
- Who were some of Rome's political leaders?

Content of Unit

- Location of Rome
- Ancient Roman customs
- We still do that
- The gods and goddesses of Ancient Roman religion
- Caesar and other Roman leaders

Did you know that...

- The Romans took baths?
- Baths were used for entertainment and healing purposes?
- Roman men bathed in wine and women bathed milk?
- It required 500 donkeys to supply the milk for Emperor Nero's wife to bathe!
