

Join us in making the 2016-2017 Invest Campaign the best one yet! Every gift we make goes back into making the Meigs academic and extracurricular experience what drew our families here in the first place.

In the past, families have contributed gifts at a level their family was comfortable with, ranging from \$5 to \$1,500. Every gift is welcome and all gifts support our goal of raising \$50,000 this year. We hope to get there by having our highest level of participation ever. Can you help us get there?

HOW MEIGS PTO USES YOUR INVEST CAMPAIGN SUPPORT

Teacher Support & Supplies: Professional development for teachers and instructional materials for classrooms to ensure creative and excellent teaching and learning continue at Meigs. *How do teachers at Meigs improve learning opportunities for students? They continue their own learning.*

Technology: New iMacs and iPads for the computer lab and library, software purchases and upgrades to existing technology.

Science & Math: Support of enhanced programs like Frog Dissection, Rocket Day and Math Olympiad. *Meigs isn't a STEM school, but we sure act like one!*

Fifth Grade 101 Orientation: Starting everyone off on the right foot—students and parents—as a new member of the Meigs community.

Art & Drama: The visual and performing arts programs rely on Invest dollars for supplies.

Band & Strings: Invest support is responsible for the school instruments, sheet music and other resources that make Meigs music program one of the strongest in MNPS. *Have you heard the enthusiasm and talent of our students?*

NEED MORE INCENTIVE TO GIVE?

- * Families who donate \$100 to Invest Campaign receive a T-shirt from Meigs Mart.
- * Weekly drawing for iTunes, Dunkin Donuts, and other gifts cards for students who have turned in a pledge card with a minimum gift of \$10 indicated for Invest.
- * Pizza parties for class at each grade level with the highest percentage of donations.
