A Weekly Publication of Meigs Academic Magnet School www.meigsacademicmagnet.org

Car Pool Hang Tag Distribution

We will be distributing Car Pool hang tags by the end of this week. Car pool hang tags will have a CP and then a number. We currently have about 31 registered car pools. Once you receive your new car pool number, please discard any previous car pool hang tags. We will distribute the Car Pool hang tags via the afternoon message board. We will give all of the hang tags to the students of the primary drivers and they will be responsible for handing the extra hang tags to the other students in their car pool. If you have any questions, feel free to contact Mr. Gilkes.

PTO NEWS:

CITY SAVER COMES HOME TODAY

We have fun new prizes this year including a chance to win a remote control drone, Ed Sheeren tickets, and Titian tickets. New coupons this year from Qudoba, Newks, and admission to the brand new Madame Tussauds wax museum. We still have favorites from Sky High, Above All and Soar Adventure Tower. We still have game coupons for Preds tickets and apparel as well as ice time at the Ford Ice Center. Your book will pay for itself.

We make it easy to order for/pay your books online and you can forward the link to friends and family. Books sold are delivered to your student at school so there is no shipping.

Join Sra. Marlin next June, 2018, for a week-long study of marine life in the Caribbean. Students will collect data on the health of coral reefs and mangrove forests, snorkel, whitewater raft and work with marine biologists. The early enrollment deadline is August 31, after which the price will rise slightly. Any Meigs student or family member is welcome to enroll, though students who are not 13 by the time we depart must have a parent accompany them.

You may view the tour by going to www.eftours.com, and using tour #1967958wb. \$100 will reserve your place on the trip.

Email Sra. Marlin with any questions at Stephanie.marlin@mnps.org.
