### SEL for Parents

"Our parental instincts drive us to protect our children. Given a choice we'd bubble wrap them. But we can't. We can, however, prepare them to navigate the world. We can support them to develop the character strengths and human connections that allow them to thrive in good times and rebound (maybe even grow) in challenging times. In other words, we can build their resilience."

For additional information, go to our **SEL at Meigs** website (<https://selatmeigs.weebly.com/sel-for-parents-2019-20.html>).
