Each Tuesday, students receive a newsletter, "Mr. P's Note Home," and a "Tuesday Sheet." This sheet serves as a weekly communication between school and home. On Tuesday evenings, parents and students are asked to check grades (Infinite Campus) and LiveSchool for effort. Some weeks, the back of the sheet may have a form to be used to organize student academic needs such as taking care of missing assignments or late work, making corrections to not yet mastered skills, or scheduling retake/re-do needs. Students should return the signed Tuesday sheet.

## 2 Tips for Managing Screen Time (U.S. News)...

<https://health.usnews.com/wellness/for-parents/articles/2018-04-30/managing-your-teens-screen-time>

1. Assess screen time. Kids use their devices for a lot of different reasons, including schoolwork. Consider keeping a daily and weekly log. This snapshot of online time could prove helpful.
2. Set some non-negotiable electronic use rules such as:
  - No using devices, or having them out, when eating meals.
  - No using devices at bedtime (experts recommend turning devices off an hour or two before turning in).
  - No messing with devices in places where undivided attention is required, such as when watching a movie or a play.
  - No playing on devices when you're with someone else. I think most of us would agree that it's highly annoying when we are out with someone and they spend more time looking at a phone screen than us.

## From Mr. P... 2 1 3

1. **LIVESCHOOL:** Our total class points (as of August 20) are **2,956!** Awesome!
2. **SPELLING/VOCABULARY:** Unit 3 will be tested on Aug. 26. Any grade below 85% will be expected to be revisited by writing each missed items 10 times each.
3. **GRADES:** Look for grades to be updated as of Aug. 20 at 7PM.
4. **RETAKES:** The next retake date is Thursday, Aug. 29. Please make sure you are taking advantage of revisiting opportunities. **This includes spelling/vocabulary corrections!**  
**REMINDER:** No retakes will be given for low grades due to a lack of preparation.
5. **TECH TASKS:** Students must complete each day's Tech Task (Google Form) as

homework if it is not done in class that day. Students must submit the Tech Task by 8:00AM the following school day. After that time, the Tech Task is late and will have to be completed as a written assignment on notebook paper. It is very wise to save the responses on e-mail, in a Google Doc, or take a screenshot of the Tech Task.

6. **HOMEWORK GRADES:** Any homework not completed and submitted on time will be given a ZERO in Infinite Campus. ZEROS in Infinite Campus (marked as homework) may not be made up for credit. This is the MNPS policy. It is important that all HW be completed. Late HW may still be completed, but without a grade in Campus.
7. **ITEMS NEEDED THIS WEEK:** 1) individual snacks for the snack box
8. **STUDENT COUNCIL:** Congrats to our class representatives Betty T. Our student council rep will attend meetings during enrichment Wednesdays and bring back important information for our class.
9. **AGENDAS:** Students are to complete the agenda as Mr. P has it written on the screen each day. A digital photo is posted online and on Twitter daily. Parents should look over all HW assignments and then initial the bottom by Mr. P's signature. Students earn LiveSchool points daily for the signed agenda.

## LiveSchool...

LiveSchool is an app that tracks student effort and behavior. This app is fantastic because student effort is tracked which determines effort grades. Students have real-time access to feedback as well as an immediate tally of class cash he/she has earned for Mr. P's General Store! Students have set up his/her account. Parents should have received a text last week with the access codes to set up parent accounts for this year.

## Tuesdays...

Students should fill out the Tuesday Signature Sheet (pink) and review it with parents every Tuesday evening. Students are to go to <https://campus.mnps.org> to view grades and then go to LiveSchool to check out assignment behaviors. Those behaviors make up the effort grade. Mr. P is guiding students on how to figure out the assignment ratio, which makes up each effort grade. On the Tuesday sheet, there is a space to record both grades and effort. The Tuesday sheet has a place to plan for retakes, re-dos, and missing assignments. All Tuesday sheets are to be returned on Wednesdays.

## **Working Towards Mastery...**

**REDOS:** For some assignments, a redo is the best course of action. If so, attach the assignment redo to the original graded paper and turn in to Mr. P.

**REVISITS:** 1. To revisit a low grade on Scholastic News and TFK, students are to write a paragraph for each missed question stating the correct answer and support it with the text.  
2. To get a retake grade on a low spelling test, students are to write each missed word correctly 10-15 times to help reinforce the correct spelling of the word.

3. To get a retake grade on a low vocabulary test, students are to write the full dictionary.com definition to each missed word 5 times each. Hopefully this will motivate students to be diligent in preparation for these weekly tests. Mr. P has Quizlet available for the entire week leading up to these tests. Students who do not procrastinate and utilize the Quizlet resources throughout the week typically score significantly higher compared to waiting until the night before the test.

**RETAKE:** Students may fill out the back of the Tuesday sheet each week as a way of planning for any retakes he/she might want to do. Retake days are not on enrichment Wednesdays this year. Mr. P will announce retake opportunities based on summative assessments that have been graded and returned to students. To re-take a test/quiz, students are to attach the original test/quiz to the item analysis form. Attach the intervention activity (if one has been assigned by Mr. P) that's been used to correct the un-mastered assessed skills. A parent's signature is also needed. Mr. P has retake forms for those needing one. Each particular form is color coded. Literacy retake forms are yellow; math retake forms are white; science retake forms are green; and SS retake forms are blue. To see the forms go to <http://www.flyparsons.org/retakes.html>. **FYI:** quizzes are found at the class assessment website. Go to [parsonsassessments.weebly.com](http://parsonsassessments.weebly.com).

There are some "retakes" that do not require the retake form since the purpose of retakes is to master 6th grade skills, not correct poor habits of study and perseverance with assignments.

**REMINDER:** No retakes will be given for low grades due to a lack of preparation. Assignments such as Scholastic News comprehension questions do not constitute a lack of understanding. Please use retakes for their intended use: to get another chance to master a skill. Mastery is 85%.

## **IXL Reminders...**

Assigned IXL skills must be completed during the assigned week. The score and time online must match what is recorded on the DDD sheet. Just like putting your name on your paper, a student **MUST** be logged in to their assigned IXL account. A student must make a Smart Score of 85% on each assigned skill. If after 10 minutes, that score has not been reached, he/she may end practice on that skill. DDD sheets may be turned in early but is **DUE** by Monday at 8AM.
