

## Science Camp Meeting...

Sixth graders will be going to camp on November 5-7, 2019. Lisa Vassar from the Ridley 4-H Center will be at Meigs in the cafeteria on Thursday, September 5 at 5:30pm to discuss camp and answer parent questions. Please make plans to attend. Camp packets will be sent home before fall break. The cost of camp is about \$125. Any parent wishing to chaperone will need to complete the Meigs science camp chaperone form which includes a link to the PENCIL Foundation's overnight- chaperone/volunteer background check. The background check may take several weeks to be processed. If interested, please return the chaperone form to Mr. P and go to PENCIL's website to complete the background check. Forms will be available at the parent meeting Thursday.

## S.P.I.C.E...

A study of rain, runoff and absorption will begin September 9. In science class students will work in pairs to design an engineering solution to a problem set. Students will have a pretest this week. The lessons will run from September 9- 23. Once students have learned about the engineering problem, they will begin work on a computer programming application in order to engineer a solution. Each group will create a presentation for the class. Presentations will be on September 26-27. A post-test will occur on September 30. In order to participate, students will need to return a permission form from Vanderbilt University. It is included in the Tuesday Folder today.

## Second Harvest Food Drive...

Student Council is holding its annual food drive for Second Harvest, and it will run through October 4. Once again, we are entered in the News2 Second Harvest Food Drive competition. If we are one of the top three schools in the state, we will win \$500 for our school. Student Council is challenging each grade level to top last year's total! Last year we collected 3400 non-perishable items! The grade level with the most donations will win popsicles to enjoy one day at recess. Students should bring their donations to their homeroom. Student Council reps have a box to place items in and a tally sheet to keep track of their homeroom's efforts. See informational posters around the school for needed items. Mr. P is giving LiveSchool points and other special treats for each student who donates each week.

<b>From Mr. P...</b>	<b>2</b>	<b>1</b>	<b>3</b>
----------------------	----------	----------	----------

1. **LIVESCHOOL:** Our total class points (as of September 3) are **6,681!** Awesome!
2. **SPELLING/VOCABULARY:** Unit 5 will be tested on Sep. 9. Any grade below 85% will be expected to be revisited by writing each missed items 10 times each.
3. **GRADES:** Look for grades to be updated as of Sep. 3 at 7PM.
4. **ITEMS NEEDED THIS WEEK:** individual snacks (Goldfish, fruit, granola bars, etc)

5. **RETAKES:** The next retake date is Friday, Sep. 6. Please make sure you are taking advantage of revisiting opportunities. **This includes spelling/vocabulary corrections!**  
**REMINDER:** No retakes will be given for low grades due to a lack of preparation. Assignments such as Scholastic News comprehension questions do not constitute a lack of understanding. Please use retakes for their intended use: to get another chance to master a skill. Mastery is 85%.
6. **TECH TASKS:** Students must complete each day's Tech Task (Google Form) as homework if it is not done in class that day. Students must submit the Tech Task by 8:00AM the following school day. After that time, the Tech Task is late and will have to be completed as a written assignment on notebook paper. It is very wise to save the responses on e-mail, in a Google Doc, or take a screenshot of the Tech Task.
7. **HOMEWORK GRADES:** Any homework not completed and submitted on time will be given a ZERO in Infinite Campus. ZEROS in Infinite Campus (marked as homework) may not be made up for credit. This is the MNPS policy. It is important that all HW be completed. Late HW may still be completed, but without a grade in Campus.
8. **AGENDAS:** Students are to complete the agenda as Mr. P has it written on the screen each day. A digital photo is posted online and on Twitter daily. Parents should look over all HW assignments and then initial the bottom by Mr. P's signature. Students earn LiveSchool points daily for the signed agenda.

## Infinite Campus...

Students now have access to Infinite Campus. By going to <https://campus.mnps.org>, and using the MNPS username + P/W, students have access to grades, attendance, records, etc. A reminder of login information is below.

USERNAME: (Full First Name, First Letter of Last Name, Last 5 Digits of ID number).

**Example: Username for John Q. Public**

**ID number 190012345**

**Username: JohnP12345**

**Password: 190012345**

There is an app for Infinite Campus as well. The code is: **XYPFWS**.

## Tuesdays...

Students should fill out the Tuesday Signature Sheet (pink) and review it with parents every Tuesday evening. Students are to go to <https://campus.mnps.org> to view grades and then go to LiveSchool to check out assignment behaviors. Those behaviors make up the effort grade. Mr. P is guiding students on how to figure out the assignment ratio, which makes up each effort grade. On the Tuesday sheet, there is a space to record both grades and effort. The Tuesday sheet has a place to plan for retakes, re-dos, and missing assignments. All Tuesday sheets are to be returned on Wednesdays.

## Snack Attack...

Big thanks to those who have sent snacks to refill our "Snack Attack" box. Your donations are appreciated. We are looking for individually wrapped chips, granola bars, popcorn, Goldfish, Cheez-Its, peanut butter crackers, cheese crackers, or anything that makes a decent mid-morning snack to replenish the box each week. The "Snack Attack" box is open for students to use LiveSchool points to buy snack after related studies.

## **Working Towards Mastery...**

**REDOS:** For some assignments, a redo is the best course of action. If so, attach the assignment redo to the original graded paper and turn in to Mr. P.

**REVISITS:** 1. To revisit a low grade on Scholastic News and TFK, students are to write a paragraph for each missed question stating the correct answer and support it with the text.  
2. To get a retake grade on a low spelling test, students are to write each missed word correctly 10-15 times to help reinforce the correct spelling of the word.  
3. To get a retake grade on a low vocabulary test, students are to write the full dictionary.com definition to each missed word 5 times each. Hopefully this will motivate students to be diligent in preparation for these weekly tests. Mr. P has Quizlet available for the entire week leading up to these tests. Students who do not procrastinate and utilize the Quizlet resources throughout the week typically score significantly higher compared to waiting until the night before the test.

**RETAKES:** Students may fill out the back of the Tuesday sheet each week as a way of planning for any retakes he/she might want to do. Retake days are not on enrichment Wednesdays this year. Mr. P will announce retake opportunities based on summative assessments that have been graded and returned to students. To re-take a test/quiz, students are to attach the original test/quiz to the item analysis form. Attach the intervention activity (if one has been assigned by Mr. P) that's been used to correct the un-mastered assessed skills. A parent's signature is also needed. Mr. P has retake forms for those needing one. Each particular form is color coded. Literacy retake forms are yellow; math retake forms are white; science retake forms are green; and SS retake forms are blue. To see the forms go to <http://www.flyparsons.org/retakes.html>. **FYI:** quizzes are found at the class assessment website. Go to [parsonsassessments.weebly.com](http://parsonsassessments.weebly.com). There are some "retakes" that do not require the retake form since the purpose of retakes is to master 6th grade skills, not correct poor habits of study and perseverance with assignments.

**REMINDER:** No retakes will be given for low grades due to a lack of preparation. Assignments such as Scholastic News comprehension questions do not constitute a lack of understanding. Please use retakes for their intended use: to get another chance to master a skill. Mastery is 85%.

## **IXL Reminders...**

Assigned IXL skills must be completed during the assigned week. The score and time online must match what is recorded on the DDD sheet. Just like putting your name on your paper, a student **MUST** be logged in to their assigned IXL account. A student must make a Smart Score of 85% on each assigned skill. If after 10 minutes, that score has not been reached, he/she may end practice on that skill. DDD sheets may be turned in early but is **DUE** by Monday at 8AM.

## 2 Tips for Managing Screen Time (U.S. News)...

<https://health.usnews.com/wellness/for-parents/articles/2018-04-30/managing-your-teens-screen-time>

1. Assess screen time. Kids use their devices for a lot of different reasons, including schoolwork. Consider keeping a daily and weekly log. This snapshot of online time could prove helpful.
2. Set some non-negotiable electronic use rules such as:
  - No using devices, or having them out, when eating meals.
  - No using devices at bedtime (experts recommend turning devices off an hour or two before turning in).
  - No messing with devices in places where undivided attention is required, such as when watching a movie or a play.
  - No playing on devices when you're with someone else. I think most of us would agree that it's highly annoying when we are out with someone and they spend more time looking at a phone screen than us.

## A Reminder About Academic Responsibilities...

**DDD SHEET:** DUE by Monday morning at 8AM.

**IXL:** Assigned IXL skills must be completed during the assigned week. The score and time online must match what is recorded on the DDD sheet. Just like putting your name on your paper, a student **MUST** be logged in to their assigned IXL account. A student must make a Smart Score of 85% on each assigned skill. If after 10 minutes, that score has not been reached, he/she may end practice on that skill.

**TYPING:** DUE each Friday. Retake period ends Sunday night.

**TECH TASK:** DUE the following school day by 8:00AM. After that time (unless due to illness) a late Tech Task must be written by hand on notebook paper to receive partial credit. It is also expected that students keep a digital copy of Tech Task answers each day for the unlikely event a technical glitch occurs.

**SPELLING/VOCABULARY TESTS:** Students scoring below 85% are to write each missed spelling word 10 times each and each missed vocabulary word 5 times each. DUE: end of the week.

**RETAKES:** Tests and quizzes may be reattempted for a mastery score within the time frame given by the teacher. This is usually within the 2-week window of when the Tuesday folder went home with that test/quiz. All returned papers are the responsibility of the student to keep up with and attach to the retake form. Testing results from Socrative may be retaken by asking Mr. P for a copy of the test.

**HOMEWORK:** When a student fails to complete a **homework** assignment on time (Tech Task, DDD, typing, book work, etc), a **ZERO** will be entered in Infinite Campus. **That grade will not be changed.** A zero averaged in with other grades lowers a nine-week average. Of course, retakes and re-dos for completed assessments remain in place as always. These retake/re-do opportunities are for students who put forth the effort on the original assignment/assessment, not to replace ZEROS from not completing assignments.
