## Science Camp...

Chaperone deadline was September 20. We have several moms planning to go to camp to chaperone. Thank you! More information will be sent as we receive PENCIL chaperone approval.

### Chaperone Requests from Mr. P's class:

Josephine's mom

Kylie's mom

James' mom

Science camp is November 5-7, 2019. Mr. P wants every student to attend camp. It is a very valuable experience for all sixth graders. If there is anything preventing you moving forward with going to camp in November, or with the payment that will be involved, please contact Mr. P. We will go over all of the forms, packing details, schedules, rules, etc in class once the trip is "officially" approved by MNPS. This will be probably around fall break. The following two web address are links to the Ridley 4-H camp and the program we will have at science camp, called "Take a Walk on the Wild Side."

## Clever: Online Math and Social Studies Texts...

Follow the directions below to access the math and social studies textbooks on Clever.

1. Use the Clever app or go online to clever.com/in/mnps.
2. Click on "Metro Nashville Public Schools Clever Log in." Click on "Log in with Office 365."
3. Click the red "McGraw Hill" button.
4. For Math: Launch "Connect ED."
5. For SS: Launch "World History & Geography: Ancient Civilizations, Tennessee Edition."

## Twitter Alerts...

Stay up on our class tweets. The agenda is tweeted daily on Twitter @MeigsMagnet. Want the class Twitter alert? Text **on @MeigsMagnet** to 404-04. This will allow all subscribers to follow our class on Twitter without necessarily being a Twitter user.

## Snacks:

We are in need of individually wrapped snacks for our class snack box. Snacks such as multigrain or granola bars, cheese or peanut butter snack crackers, popcorn, goldfish, cookies, or anything else that would constitute a good snack would be greatly appreciated. Thank you for your continued support.

1. **LIVESCHOOL:** Our total class points (as of September 24) are **17,654!** Awesome!
2. **SPELLING/VOCABULARY:** Unit 8 will be tested on Sep. 30. Any grade below 80% will be expected to be revisited by writing each missed items 10 times each.
3. **GRADES:** Look for grades to be updated as of Sep. 24 at 7PM.
4. **RETAKES:** The next retake date is Friday, Sept 27. Please make sure you are taking advantage of revisiting opportunities. **This includes spelling/vocabulary corrections!**
5. **TECH TASKS:** Students must complete each day's Tech Task (Google Form) as homework if it is not done in class that day. Students must submit the Tech Task by 8:00AM the following school day. After that time, the Tech Task is late and will have to be completed as a written assignment on notebook paper. It is very wise to save the responses on e-mail, in a Google Doc, or take a screenshot of the Tech Task.
6. **HOMEWORK GRADES:** Any homework not completed and submitted on time will be given a ZERO in Infinite Campus. ZEROS in Infinite Campus (marked as homework) may not be made up for credit. This is the MNPS policy. It is important that all HW be completed. Late HW may still be completed, but without a grade in Campus.

## Infinite Campus...

Students now have access to Infinite Campus. By going to <https://campus.mnps.org>, and using the MNPS username + P/W, students have access to grades, attendance, records, etc. A reminder of login information is below.

USERNAME: (Full First Name, First Letter of Last Name, Last 5 Digits of ID number).

**Example:** Username for John Q. Public

ID number 190012345

**Username:** JohnP12345

**Password:** 190012345

There is an app for Infinite Campus as well. The code is: **XYPFWS**.

## Tuesdays...

Students should fill out the Tuesday Signature Sheet (pink) and review it with parents every Tuesday evening. Students are to go to <https://campus.mnps.org> to view grades and then go to LiveSchool to check out assignment behaviors. Those behaviors make up the effort grade. Mr. P is guiding students on how to figure out the assignment ratio, which makes up each effort grade. On the Tuesday sheet, there is a space to record both grades and effort. The Tuesday sheet has a place to plan for retakes, re-dos, and missing assignments. All Tuesday sheets are to be returned on Wednesdays.

## Snack Attack...

Big thanks to those who have sent snacks to refill our "Snack Attack" box. Your donations are appreciated. We are looking for individually wrapped chips, granola bars, popcorn, Goldfish, Cheez-Its, peanut butter crackers, cheese crackers, or anything that makes a decent mid-morning snack to replenish the box each week. The "Snack Attack" box is open for students to use LiveSchool points to buy snack after related studies.

## **Student of the Week in Mr. P's Class...**

Each week a different student is spotlighted as Mr. P's Student of the Week. Students may bring photos and mementos of themselves and their family to share on our board. Please notice the schedule for each student so you'll be ready. Students should bring their photos/mementos on the Friday before their week.

## **Working Towards Mastery...**

**REDOS:** For some assignments, a redo is the best course of action. If so, attach the assignment redo to the original graded paper and turn in to Mr. P.

**REVISITS:** 1. To revisit a low grade on Scholastic News and TFK, students are to write a paragraph for each missed question stating the correct answer and support it with the text.  
2. To get a retake grade on a low spelling test, students are to write each missed word correctly 10-15 times to help reinforce the correct spelling of the word.  
3. To get a retake grade on a low vocabulary test, students are to write the full dictionary.com definition to each missed word 5 times each. Hopefully this will motivate students to be diligent in preparation for these weekly tests. Mr. P has Quizlet available for the entire week leading up to these tests. Students who do not procrastinate and utilize the Quizlet resources throughout the week typically score significantly higher compared to waiting until the night before the test.

**RETAKES:** Students may fill out the back of the Tuesday sheet each week as a way of planning for any retakes he/she might want to do. Retake days are not on enrichment Wednesdays this year. Mr. P will announce retake opportunities based on summative assessments that have been graded and returned to students. To re-take a test/quiz, students are to attach the original test/quiz to the item analysis form. Attach the intervention activity (if one has been assigned by Mr. P) that's been used to correct the unmastered assessed skills. A parent's signature is also needed. Mr. P has retake forms for those needing one. Each particular form is color coded. Literacy retake forms are yellow; math retake forms are white; science retake forms are green; and SS retake forms are blue. To see the forms go to <http://www.flyparsons.org/retakes.html>. **FYI:** quizzes are found at the class assessment website. Go to [parsonsassessments.weebly.com](http://parsonsassessments.weebly.com).

There are some "retakes" that do not require the retake form since the purpose of retakes is to master 6th grade skills, not correct poor habits of study and perseverance with assignments.

**REMINDER:** No retakes will be given for low grades due to a lack of preparation. Assignments such as Scholastic News comprehension questions do not constitute a lack of understanding. Please use retakes for their intended use: to get another chance to master a skill. Mastery is 85%.

## **IXL Reminders...**

Assigned IXL skills must be completed during the assigned week. The score and time online must match what is recorded on the DDD sheet. Just like putting your name on your paper, a student **MUST** be logged in to their assigned IXL account. A student must make a Smart Score of 85% on each assigned skill. If after 10 minutes, that score has not been reached, he/she may end practice on that skill. DDD sheets may be turned in early but is **DUE** by Monday at 8AM.

## **2 Tips for Managing Screen Time (U.S. News)...**

<https://health.usnews.com/wellness/for-parents/articles/2018-04-30/managing-your-teens-screen-time>

1. Assess screen time. Kids use their devices for a lot of different reasons, including schoolwork. Consider keeping a daily and weekly log. This snapshot of online time could prove helpful.
2. Set some non-negotiable electronic use rules such as:
  - No using devices, or having them out, when eating meals.
  - No using devices at bedtime (experts recommend turning devices off an hour or two before turning in).
  - No messing with devices in places where undivided attention is required, such as when watching a movie or a play.
  - No playing on devices when you're with someone else. I think most of us would agree that it's highly annoying when we are out with someone and they spend more time looking at a phone screen than us.

## **A Reminder About Academic Responsibilities...**

**DDD SHEET:** DUE by Monday morning at 8AM.

**IXL:** Assigned IXL skills must be completed during the assigned week. The score and time online must match what is recorded on the DDD sheet. Just like putting your name on your paper, a student **MUST** be logged in to their assigned IXL account. A student must make a Smart Score of 85% on each assigned skill. If after 10 minutes, that score has not been reached, he/she may end practice on that skill.

**TYPING:** DUE each Friday. Retake period ends Sunday night.

**TECH TASK:** DUE the following school day by 8:00AM. After that time (unless due to illness) a late Tech Task must be written by hand on notebook paper to receive partial credit. It is also expected that students keep a digital copy of Tech Task answers each day for the unlikely event a technical glitch occurs.

**SPELLING/VOCABULARY TESTS:** Students scoring below 85% are to write each missed spelling word 10 times each and each missed vocabulary word 5 times each. DUE: end of the week.

**RETAKES:** Tests and quizzes may be reattempted for a mastery score within the time frame given by the teacher. This is usually within the 2-week window of when the Tuesday folder went home with that test/quiz. All returned papers are the responsibility of the student to keep up with and attach to the retake form. Testing results from Socrative may be retaken by asking Mr. P for a copy of the test.

**HOMEWORK:** When a student fails to complete a **homework** assignment on time (Tech Task, DDD, typing, book work, etc), a **ZERO** will be entered in Infinite Campus. **That grade will not be changed.** A zero averaged in with other grades lowers a nine-week average. Of course, retakes and re-dos for completed assessments remain in place as always. These retake/redo opportunities are for students who put forth the effort on the original assignment/assessment, not to replace ZEROS from not completing assignments.

## **DDD: IXL + ALEKS + MobyMax in Mr. P's Class...**

**IXL** is a comprehensive learning program offering unlimited math and literacy practice problems in thousands of skills—all of which are aligned to Tennessee Standards. One of the best things about IXL is that students may access it from any device. For on-the-go practice, you may use the app for iPad by logging in with your assigned U/N and P/W. IXL is designed to help students learn at his or her own pace. IXL is adaptive and will adjust based on student's demonstrated understanding of the material. All student results will be saved and may be monitored at any time by clicking on the Analytics tab at the top of the page.

**ALEKS** is an adaptive, online math program that uses artificial intelligence and open-response questioning to identify precisely what each student knows, doesn't know and what they are ready to learn. Through truly individualized learning and assessment, ALEKS delivers a personalized learning path on the exact topics each student is most ready to learn.

ALEKS is a mastery-based learning platform that identifies what your students know, what they don't know and what they are ready to learn. ALEKS helps instructors facilitate even more meaningful interaction with students, resulting in more motivated, confident, lifelong learners. It's like having a second teacher in the classroom.

**MOBY MAX** offers students the opportunity to begin fixing missing skills from the automatic placement test. Even better, the built-in motivation tools and rewards keep students eager to learn more without teacher intervention. Moby offers lessons and practice in all subjects.

**DDD: Daily Digital Duties** is the tracking sheet for IXL, ALEKS and MobyMax that students are to fill out and keep up with each week. These sheets are due each Monday morning and will be graded for completion. IXL and ALEKS practice have begun. MobyMax will begin around fall break.
