

_____ Name _____ Date _____

TASK: Supermarket Visit

Score: _____

Google Classroom project DUE: 02.29.16

DIRECTIONS:

1. Make a Google Classroom Slides (slide show) presentation from your visit to the supermarket to compare product sizes in a fun and creative way!
2. Use at least two or more items from a supermarket visit that can be used to compare prices.
3. Use pictures for each item.
4. Compute each item's price (rate) and its unit rate.
5. Decide which brand is the better buy and why you should either purchase the "better buy" or purchase the "other" item for another reason (size, etc).
6. Submit to Mr. P through the gCLASS assignment.

GRADING:
