

Ms. Searfoss' Outline for the Comparison Essay of an Inner and Outer Planets

I. Introduction- On vacation with Grandma on Venus

Transported to Jupiter

Shocked by differences between these two different planets : it's size, flying through the atmosphere, temperature

II. 1st topic- First morning on Jupiter

(Rotation and revolution)

Temperatures are so different-special suit change

Had to go from walking to flying in my smartcopter due to changes in the surface of the planet

III. 2nd topic- Evening out to the Galilean Moons

(moons)

IV. 3rd Topic – Going from volcanoes on Venus to the Great Red Spot

The storm of my life....

V. Conclusion-Remembering the highlights of Jupiter and heading back to Venus

Will I survive the heat and the pressure of Venus?
